

YOU'RE INVITED

To A Meet-Up for People Just Like You

RE-START is a bi-weekly meeting for everyone, regardless of HIV status. Members are encouraged to bring others to meetings, like family, friends, and anyone else who is part of your support system. Each meeting is relaxed and covers topics to help everyone live well with HIV. RE-START is an open group that aims to:

- Educate others on how to live and age well with HIV
- Encourage, recognize, and reward leadership abilities
- Dismantle HIV-related stigma
- Combat isolationism
