

# YOU'RE INVITED

## *To the Hangout*

STYLE+ is a fun, engaging, active group for LGBTQ+ young men with HIV, ages 13-30. The group meets once a month and holds a variety of activities like dining out, hitting the movie theatre, beach trips, volunteering, and game nights. STYLE+ is where you're free to be you and make new friends, all while learning and growing with those who simply understand.
