

Dear Patient,

At Diversity Health Center of Tampa Bay and Hope and Help, our mission is to provide high-quality care and support to everyone in our community, quality care and support to everyone in our community, quality care and support to everyone in our community. To help us continue offering important health services, we participate in a federal program called the **340B Drug Pricing Program**. We want to explain what this means for you and how you can help support our services—at no extra cost to you.

What Is the 340B Program?

The 340B Program allows certain healthcare organizations, like ours, to purchase outpatient medications at a lower cost. These savings help us continue providing important services such as:

- Expanded access to medical care
- Community programs and patient support services
- Improved care for uninsured and under-insured individuals

How You Can Help

One of the easiest ways patients can support our mission is by filling their prescriptions at **one of our partnered pharmacies**.

Why Use a Partnered Pharmacy?

When you choose a partnered pharmacy:

- **Your medication cost stays the same** — it does *not* cost you more.
- **You still get your prescriptions filled just like you normally would.**
- **You help us continue offering services to our community.**
- **You support programs that help patients who need financial assistance.**

Using a partnered pharmacy allows your prescription to count toward the 340B Program, which means we can reinvest the savings directly into patient care.

Your Choice Matters

Every time you fill your prescription at one of our partnered pharmacies, you're helping us:

- Provide more medications to those in need
- Keep important health programs running
- Serve more patients in need

It's a simple way to make a real difference in your community.

Where to Go

Attached is a list of our partnered pharmacies. If you need help choosing one or transferring your prescriptions, just let us know—we are happy to assist.

We're Here for You!

If you have any questions about the 340B Program or how using a partnered pharmacy helps our mission, feel free to contact us. We are always here to support your health and make your care as easy as possible.

Thank you for choosing us for your healthcare needs—and for helping us continue serving our community.

Warmly,

Morgan Manry (He, Him, His)
